TEAKDECKING SYSTEMS' FURTHER EXPANSION IN EUROPE

TEAKDECKING SYSTEMS, the original developer and the world's largest manufacturer of pre-manufactured teak decking, custom solid wood flooring and teak deck maintenance products for the marine industry, is pleased to announce its new professional relationship with Zeta Marine Group (ZMG) in Denmark.

ZMG will represent TEAKDECKING SYSTEMS in Europe.

ZMG is setting up distributors and dealers in most of the countries in Europe.

ZMG is stocking TEAKDECKING SYSTEMS' *world famous* teak deck products, e.g:

- SIS440 Teak Deck Caulk (Black, White and Grey)
- FE-180A and FE-220T Fitting Epoxy
- FFE-200 Fitting & Deck Fairing Epoxy (new)
- FR-101 Fairing Epoxy
- TDS-FIL Fairing Filler
- TCP-100 Powder Teak Cleaner
- TCL-200 Liquid Teak Cleaner
- Accessories for teak deck installation and maintenance

ZMG's large inventory of the products will allow ZMG to quickly respond to European customers needs.

Besides, ZMG will be available for expedient technical assistance throughout Europe.

TEAKDECKING SYSTEMS is known for fast response and technical assistance to its customers and this will now be enhanced throughout Europe by ZMG.
